Puppet design: Thomas Hamlyn-Harris

HOW TO MAKE A SAM FINGER PUPPET

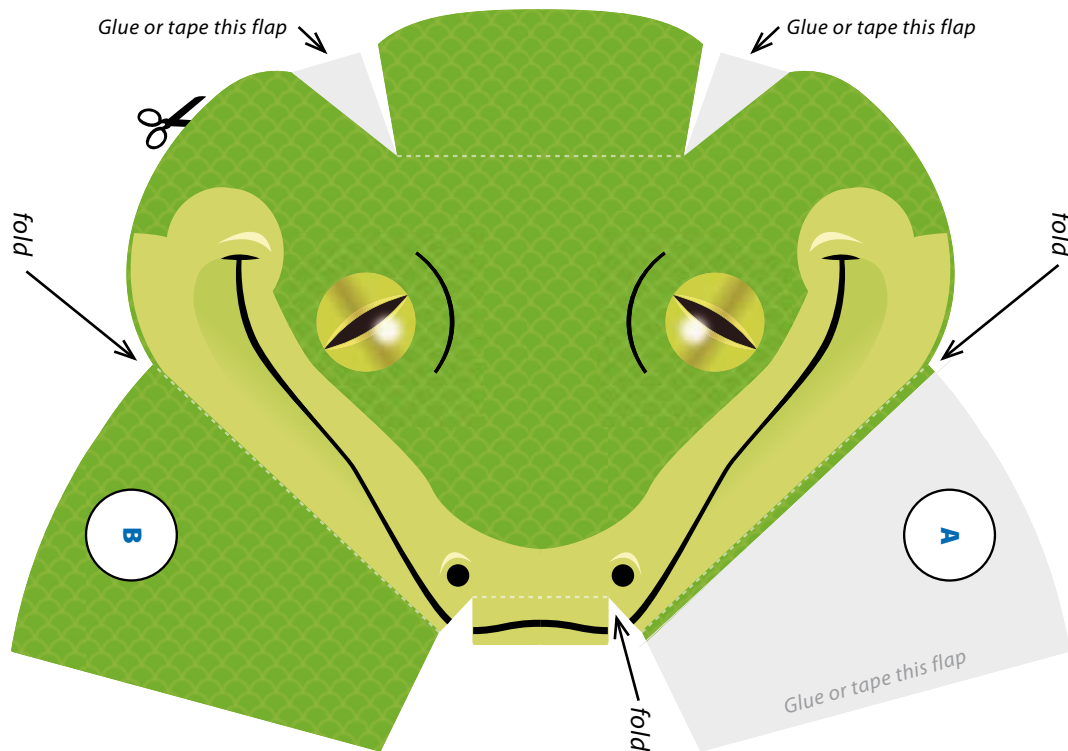

You will need scissors and glue or sticky tape.

1. Cut around the outside.
2. Fold along the white dotted lines.
3. Cut circles A & B to fit your child's finger.
4. Secure the base with glue or sticky tape.
5. Fold the nose down.
6. Help your child follow the words in the book, Sam Snake, with the finger puppet.

Give your kids a hand to read with Finger Puppet Books!
